

International Conference on Computer Graphics, Animation & Signal Processing (CGASP 2023)

September 09-10, 2023, Virtual Conference

Call for Participation

We invite you to join us in **International Conference on Computer Graphics, Animation & Signal Processing (CGASP 2023)**

Computer graphics and animation have become a key technology in determining future research and development activities in many academic and industrial branches.

Highlights of CGASP 2023 include:

- International Conference on Machine Learning and IoT (MLIoT 2023)
- International Conference on Blockchain and Applications (BLKCA 2023)
- International Conference on Computer Science, Engineering and Information Technology Trends (CSEITT 2023)
- International Conference on Vision and Computational Intelligence (VCOI 2023)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

100 USD (With proceedings)
